Cook brought the Board up to speed on the status of the facilities.

Robson arrived – 2:16 pm

Robson continued the discussion on the status of repairs and upgrades to the facility.

Anderson reported that the general consensus of the community was to have a ribbon cutting in the spring followed by an Open House. It was suggested that there would be more opportunity to schedule events and guests along with better attendance.

Compo discussed the snow plow bids that were received. Two were received, one by Porath Contractors for a total of \$10,100 and one by Jack Millikin, Inc. totaling \$14,575. No other bids were received.

MOTION: by Anderson, second by Cook to accept the Porath bid for snow removal services at the civilian terminal property. Ayes – 5, Nays – 0, motion passed.

It was noted that even though we do not have a lease as of this date, the snow removal service would not be enacted unless mobilized by CCAB.
